NARRATIVE REPORT

 INTERIM FINAL

X1 The technical monitor met with [redacted] on 9 February 1968. The main topic of discussion was the auxiliary anamorphic eyepieces for the AP-3. [redacted] still feels that [redacted] is attempting to charge them an exorbitant price to produce the anamorphic eyepieces. 25X

X1 The technical monitor supplied [redacted] with some information on acceptable anamorphic systems. [redacted] agreed to have [redacted] of [redacted] review this information. [redacted] was scheduled to visit [redacted] the week of 19 February 1968. 25X

X1 The technical monitor telephoned [redacted] on 26 February 1968. [redacted] stated that [redacted] could not produce the anamorphics from the sketchy information provided. [redacted] is scheduled to visit [redacted] this week to see if they can produce the anamorphics. If this approach fails, [redacted] has instructed Mr. [redacted] to capitulate to [redacted] and have the auxiliary anamorphics produced at [redacted] price. 25X
